Gregg - Thank you for coordinating this work with us.

As Jerriann confirmed, this work is outside of the permit area and therefore, does not require Division approval.

Good luck with the work.

Pam

Gregg has confirmed that the description of the sites that they plan on working are not within the permit area.

All work looks very neighborly!

Thank Gregg.

This came in for some more work at Skyline. Jerriann - would you please call DWR and just check in with them to verify it's okay (would you mind doing that sometime today?)..

Any other thoughts?

If there are no problems, I'll get back with Gregg.

thanks...
